

Letters of Concern**

**A Letter of Concern is defined in A.R.S. 32-1501 (12) as a "Non-disciplinary advisory letter that is issued by the board to a person who is regulated under this chapter and that states that while there is insufficient evidence to support disciplinary action the board believes that the person should modify or eliminate certain practices and that continuation of the activities that led to the information being submitted to the board may result in action against the person's license, certificate or registration."
